

Get Yourself Together

The Black Keys

I'll go, I'll go wherever you go
Don't care, out here I want you to know
Don't run, we'll make time and take it real slow
I'll go, I'll go wherever you go
I'm with you, whatever you do

You gotta get yourself together babe
Try to keep it cool
You wanna make it last forever maybe
Get behind the new
You gotta get yourself together babe
Keep your motor clean
We wanna make it run forever maybe
I'm your gasoline
Oh no no no

I'll do, I'll do whatever you do
Love me and I'll be lovin' on you
Treat me sweetly like I wanted to
And I'll do, I'll do whatever you do
You can choose, make up all the rules

You gotta get yourself together babe
Try to keep it cool
You wanna make it last forever maybe
Get behind the new
You gotta get yourself together babe
Keep your motor clean
We wanna make it run forever maybe
I'm your gasoline
Oh no no no

I'll go, I'll go wherever you go
Don't care, I'm here I want you to know
Don't mind, we'll make time and take it real slow
I'll go, I'll go wherever you go
I'm with you, whatever you do

You gotta get yourself together babe
Try to keep it cool
You wanna make it last forever maybe
Get behind the new
You gotta get yourself together babe
Keep your motor clean
We wanna make it run forever maybe
I'm your gasoline
Oh no no no

Oh no no no
Oh no no no
Oh no no no
