

Too Afraid to Love You

The Black Keys

My gears they grind
More each day
And I feel like
They're gonna grind away

And the city blocks
They drive me wild
They're never ending
Mile after mile

I just don't know what to do
I'm too afraid to love you

It's heaven on earth
In her embrace
Her gentle touch
And her smiling face

I'm just one wishing
That I was a pair
With someone
Oh somewhere

I just don't know what to do
I'm too afraid to love you

All those sleepless nights
And all those wasted days
I wish loneliness would leave me
But I think it's here to stay
What more can I do
I'm wringing myself dry
And I can't afford to lose
One more teardrop from my eye
