

Save Our Selves (The Warning)

The Blackout

Woaaaaahhhhh (7x)

So this is how it's gonna be
You and me are history
We will never look the same
But the end is coming.
Your time is running out
The rain is pouring
So raise your voice and shout

This is a blackout
And you'll find out
It's gonna come and take everything you love away
A blackout, coming to your town
We'll never run away so stand and fight another day.

So this is where it all began
This is were the story ends
We will never need to leave
We keep running
The walls keep coming down
This is a warning
So raise your voice and shout.

This is a blackout
And you'll find out
It's gonna come and take everything you love away
A blackout, coming to your town
We'll never run away so stand and fight another day.

Oh!

Going out [x39]

This is a blackout
And you'll find out
It's gonna come and take everything you love away
The blackout coming to your town
Well never run away so stand and fight another day.

This is a blackout (3x)

Wooooaaahhh (4x)
