

# Not A Lovesong

The Bones

goddamn it  
you said it  
said to me that I had nothing to lose  
got pissed on  
and you gave me the blues

bad morning  
all alone, all alone  
waking up from a barfight  
lost my comb

got cheated on  
well I piss on you  
cause you gave me the blues

the loving was bad  
the loving I had was not mine  
there was somethnig about it  
somethnig about it  
that made me lose my mind

love is unkind  
the loving I had was not mine  
there was somethnig about it  
somethnig about it  
that made me lose my mind

tried hating  
tried dating  
made mistakes that I wall never do again  
got shit on  
well I piss you  
cause you gave me the blues

the loving was bad  
the loving I had was not mine  
there was somethnig about it  
somethnig about it  
that made me lose my mind

love is unkind  
the loving I had was not mine  
there was somethnig about it  
somethnig about it  
that made me lose my mind

got stepped on  
got pissed on  
do not ever fuck with me again  
well I have got news  
news for you  
I will gice you the blues

the loving was bad  
the loving I had was not mine  
there was somethnig about it  
somethnig about it

that made me lose my mind

love is unkind  
the loving I had was not mine  
there was somethnig about it  
somethnig about it  
that made me lose my mind

the loving was bad  
the loving I had was not mine  
there was somethnig about it  
somethnig about it  
that made me lose my mind

I lost my mind  
I lost my mind  
I lost my mind
