

# I Am Who I Am

The Books

(laughter)  
Nuttiness.

...Oh you think you're gonna do something different than  
what  
I'm doing right now.  
...just having a nice pleasant conversation with your  
friends.  
...whatever you do this is a wonderful phrase by Gandhi.

...God!  
I am who I am, and what I am, and I will be what I will  
be. Ok?  
Present tense: I am who I am. Not was to be, but I am.  
Can you imagine that? I am who I am.  
I am who I am.  
I will be who I am and what I am.  
I will be who I am and what I am.  
In other words, I'm going to do it. I am who I am.  
I am what I am.  
I will be who I am. What I am I will be.  
Not going to be. Not was.  
I am who I am! I am what I am! And I will be what I will  
be!  
You are who you are and who you are. Who you are!  
Who does he think he is?
