

Up Or Down

The Boomtown Rats

Don't know which way I'm going
Don't know which way is up or down
Up or down, up or down

Don't know which way I'm going
My feet don't even touch the ground
Touch the ground

There's people laughing at me
There's people staring at me (Ooh, ooh, ooh...)

Don't know which way I'm going, and my feet don't even touch the ground
Watch me climbing up
See me coming down
Which way is up?
I don't know where I am

I feel my back is aching
My ears are ringing, there's a pain behind my eyes, yeah
My hands are shaking
My skin is flaking, and my mouth is all dry
Watch me climbing up
See me falling down
Which way is up?
I don't know where I am, no!

Lying in the sun
It's just another lazy day
And I'm not having fun
I am running in the rain
Looking all around
Nothing ever seems to change

Ooh, ooh, ooh, ooh, ooh, ooh, ooh, ooh, ooh
Ooh, ooh, ooh, ooh, ooh, ooh, ooh, ooh, ooh

Don't know which way I'm going
Don't know which way is up or down
Up or down, up or down
Don't know which way I'm going, and my feet don't even touch the ground
Touch the ground

Watch me climbing up
Watch me falling down
Let me climb on up
I don't know where I am

Lying in the sun
It's just another lazy day
And I'm not having fun
I am running in the rain
Looking all around
Nothing ever ever seems to change

Ooh, ooh, ooh, ooh, ooh, ooh, ooh, ooh, ooh

The sun, the sun, the sun, the sun, the sun, the sun, ooh!

Now watch me falling down
(Down, down, down)
Now see me going up
I don't know where I am
And you should see me wheeling down (on the ground, on the ground)
