## The Bouncing Souls

Drifting alone on a wide open sea, letting life pass me by  
Avoiding everything I'm afraid to be, but your heart shines a light  
Lost in my own misery, till you came and helped me see  
That I don't have to be alone  
Thank you for giving this lost heart a home

So keep the light on  
I'm coming home  
Cuz I've been gone for so long

Always lost inside, always looking away  
When the best moments in life are ours to take  
The tragedy of human life, the darkness that lurks inside  
The days that we quit and start to die  
This is the time to stand and fight

So keep the light on  
I'm coming home  
Cuz I've been gone for so long

Keep the light on  
Yeah I'm coming home  
Cuz I've been gone for so long

So shine on  
Shine on  
Shine on  
Shine on  
Shine on

Drifting alone on a wide open sea, letting life pass me by  
Avoiding everything I'm afraid to be, but your heart shines a light

So keep the light on  
I'm coming home  
Cuz I've been gone for so long

Keep the light on  
Cuz I'm coming home  
Cuz I've been gone for so long

So shine on  
Shine on  
Shine on  
Shine on  
Shine on  
Shine on  
Shine on
