

Waiting

The Boxer Rebellion

Take your threats
No love lost and regrets
Those views you strained
Were never what they seemed

I'm waiting
I'm waiting
All the time
All the time

You want for me
Is never what I need
And my protest
[?] obsessed

I'm waiting
I'm waiting
All the time
All the time
I'm waiting
I'm waiting

And don't you lie to me
When you're losing sights
And don't you run to me
When you're losing sights
All the time
All the time

You want for me
Is never what I need
