### The Brian Jonestown Massacre

you're beautiful  
girl i wish that  
you could see  
so stay the same  
as you have  
always been  
cause you're wonderful  
or live in a lie  
if it makes you happy  
do what you like  
if you want  
you can ask me....  
what i know  
is i never knew  
nothing  
so i know that  
i need to learn  
where to go?  
oh woe, woe, woe, woe  
floating, flying  
hoping you could see  
an awful thing  
that you wish that  
you was me  
cause you're wonderful  
laugh all your life if it makes you happy  
you do what you like  
if you want you can ask me...  
what i know  
is  
i never knew nothing  
so i know that  
i need to learn  
where to go?  
woe, woe, woe, woe, woe
