Vacuum Boots

The Brian Jonestown Massacre

you're beautiful girl i wish that you could see so stay the same as you have always been cause you're wonderful or live in a lie if it makes you happy do what you like if you want you can ask me.... what i know is i never knew nothing so i know that i need to learn where to go? oh woe, woe, woe floating, flying hoping you could see an awful thing that you wish that you was me cause you're wonderful laugh all your life if it makes you happy you do what you like if you want you can ask me... what i know is i never knew nothing so i know that i need to learn where to go? woe, woe, woe, woe
