

# Drive Like Lightning (Crash Like Thunder)

The Brian Setzer Orchestra

I'm gonna take my baby  
On a little joy ride  
She'll be ghost-white pale  
Sittin' by my side  
Shakin' like a leaf  
And it ain't no wonder  
Drive like lightning  
Crash like thunder

I'm gonna race with the devil  
Speedin' down the track  
And if he beats me to the line  
I ain't a-comin' back  
You ain't worth nothin'  
When your six feet under  
Drive like lightning  
Crash like thunder

Drive like lightning  
Crash like thunder  
Ain't worth nothin'  
When your six feet under  
All wrapped up  
In hot chrome and steel  
Drag my body  
Behind the wheel

Got a pair of dice swingin'  
In my Detroit casket  
I got a rabbit foot hangin'  
From my black leather jacket  
We won't get out alive  
So it ain't no wonder  
Drive like lightning  
Crash like thunder

Baby please try to understand  
I'm just a little speck of dust  
Blowin' in the sand  
We won't get out alive  
So why should we wonder  
Drive like lightning  
Crash like thunder
