

# Gettin' In The Mood

The Brian Setzer Orchestra

Jump into the sleigh we're gonna rock it tonight  
Got my reindeer with me and we're ready for flight  
Listen all you hotties you know Santa's the guy  
Loves to hear the music blastin' up to the sky  
Headin' for the mistletoe, my baby and I  
It's Christmas and I'm really getting' in the mood

Got my Christmas Creepers and a couple of tats  
Tonight I'm celebratin' with the kitties and cats  
All you swinging people grab your coats and your hats  
Santa's gonna show you where the party is at  
I'm cool and it's snowin' get your mittens on there  
It's Christmas and I'm really getting' in the mood

In the mood, sleigh bells are ringing  
In the groove, yeah, the party's swinging  
In the mood, cause Santa's bringing  
Boogie woogie rootin' for a merry Christmas

Come on now, we're gonna party  
I know how, yeah to get it started  
In the mood, hey Santa boogie  
Blow that jivin' music now

Santa's gonna leave his crib up North at the pole  
Dude is always stylin' that's the way he rolls  
Hurry hang the stockings, when the lights are down low  
We'll listen to some music by Nat King Cole  
Baby if you're ready then I'm ready to blow  
It's Christmas and I'm really getting' in the mood

In the mood, sleigh bells are ringing  
In the groove, yeah, the party's swinging  
In the mood, cause Santa's bringing  
Boogie woogie rootin' for a merry Christmas

Come on now, we're gonna party  
I know how, yeah to get it started  
In the mood, hey Santa boogie  
Blow that jivin' music now

Twas the night before Christmas and all through the joint  
Walked a chick in a skirt that did not disappoint  
All she wanted for Christmas was a new hot rod car  
The walked up a cat with a big orange guitar

Two tickets to Vegas he slipped in her hand  
Said seven come eleven and Santa's the man  
Her beehive was blown and her skirt was tight  
Merry Christmas to all, and to all a good night

Santa's gonna leave his crib up North at the pole  
Dude is always stylin' that's the way he rolls  
Hurry hang the stockings, when the lights are down low  
We'll listen to some music by Nat King Cole  
Baby if you're ready then I'm ready to blow

In the mood, sleigh bells are ringing  
In the groove, yeah, the party's swinging  
In the mood, cause Santa's bringing  
Boogie woogie rootin' for a merry Christmas

Come on now, we're gonna party  
I know how, yeah to get it started  
In the mood, hey Santa boogie  
Blow that jivin' music now  
I'm in the mood!  
Merry Christmas!
