And lately I've been walking Through all these places that I cannot stand I guess it's just my history talking Now I'm refusing to supply your demands You say The storm will pass We'll work it out The road can get a little rough sometimes I'm moving fast Without a doubt Our hearts will beat in separate rooms tonight Baby, we belong alone This last second chance is blown Baby, we belong alone I've got another you at home Baby, we belong alone Alone (Dah, dah, dah, dah, dah) (Dah, dah, dah, dah, dah) (Dah, dah, dah, dahhh) And lately you've been knocking But I never really listened or cared 'Cause when I told you I was walking I was reeling her in with my stare You say The storm will pass We'll work it out The road can get a little rough sometimes I'm moving fast Without a doubt Our hearts will beat in separate rooms tonight Tonight Baby, we belong alone This last second chance is blown Baby, we belong alone I've got another you at home Baby, we belong alone Alone (Dah, dah, dah, dah, dah) (Dah, dah, dah, dah, dah) (Dah, dah, dah, dahhh) Baby, we belong alone This last second chance is blown Baby, we belong alone I've got another you at home Baby, we belong alone

This last second chance is blown

Baby, we belong alone I've got another you at home Baby, we belong alone Alone
