Murder She Wrote

The Cataracs

"Oh I gotta stop sayin' bitch (BIIAATTCHH!), so I
Guess I gotta stop meetin' bitches, cause everytime I
Get that love itch, my love leaves me bleeding with
Stitches, in the ditches, I mend my wounds, I'm gunna
Come right back to you, cause it was personal, Yeahh,
So emotional, (Ohh nooo!) "

You took my heart and you broke it in two
(It was personal so emotional)
Somethin about the things that you do
(So technical and methodical)

Personal
(You're killin me)
Methodical
(You're killin me)
Technical
(You're killin me)
Emotional
(You're killin me girl, murder she wrote)

Nothin I ever did or said
Was simply good enough I guess
So goodbye my friend
I think it's time I left you
And I gotta stop doing this
I know better but I just can't help it
I really think I'm losing it
Why you gotta be so damn selfish
Your love is ficticious
I ain't no fool
But I'm gonna come right back for you
Cause it was personal
So emotional (oh no)

You took my heart and you broke it in two
(It was personal so emotional)
Somethin about the things that you do
(So technical and methodical)

Personal
(You're killin me)
Methodical
(You're killin me)
Technical
(You're killin me)
Emotional
(You're killin me girl, murder she wrote)

"Na!, ya can't do it like this, I can tell you that
I'm fly when I'm covered with shit, that's why you
Loved me! Yeah, That's why ya had to snub me! Bang,
Bang! "

You took my heart and you broke it in two
(It was personal so emotional)
Somethin about the things that you do

(So technical and methodical)

    Personal
    (You're killin me)
    Methodical
    (You're killin me)
    Technical
    (You're killin me)
    Emotional
    (You're killin me girl, murder she wrote)
