

# This Is the End

The Charlatans

This is the end  
I'll take a bow  
With one reprise  
Where I come from I don't see the sun  
With friends I've followed [?]  
I wandered lonely as a cloud  
Ooh  
'Cause I never

I looked  
Through the stars  
This is the end

This is the end  
of all I know  
Can't let you tell me what to do  
Oh I will never be put down

Oh I will never be put down  
Oh I will only be set free  
This is the end for You and me

This is the end  
I'll say goodbye  
The final curtain

I look at all the amputees,  
On the strip  
And think, this is the end

This is the end of all I know  
Can't let You tell me what to do  
Oh I will never be put down

Oh I will never be put down  
Oh I only want to be set free  
This is the end for You and me

This is the end  
I'll take a bow  
With one last reprise
