## Swoon

**The Chemical Brothers** 

Just remember to fall in love There's nothing else There's nothing else Just remember to fall in love There's nothing else There's nothing else Just remember to fall in love There's nothing else There's nothing else Just remember to fall in love There's nothing else There's nothing else Just remember to fall in love There's nothing else There's nothing else Just remember to fall in love There's nothing else There's nothing else Just remember to fall in love There's nothing else There's nothing else Just remember to fall in love There's nothing else There's nothing else
