

Love Is

The Chi-Lites

Love is, love is
Love is what we got goin', baby

Love is when someone else's needs
Mean more than your own
And love is when a letter you write
Is cherished at home

Love is what we got goin', baby

When you can kiss the lips
Of the one you love and mean it
Look on over her fault
As though you never seen it
When you have learned to forget
As well as forgive

Love is what we got goin', baby
(Love is)

When two have mastered the art
Of complete satisfaction
Ain't no doubt about it
Love's gonna be the reaction
Like adding sugar to your coffee
You know it's gonna come out sweet

Love is what you got goin', baby
(Love is)

When love knocks at your door, you ain't ready
Don't play like a deck of cards
And I'm saying you be playing
With someone's heart

Just remember a tear is easier with hurt
When you have nothing but love in your eyes

Love is what we got goin', baby
Love is, love is
Love is what we got goin', baby
Love is what we got goin', baby

Love is what we got goin', baby
Love is what we got goin', baby
Love is what we got goin', baby
Love is what we got goin', baby

Love is
