

Maya

The Church

Where, how did you notice?
Why, what can't you see?
Yeah, if that's all the difference it makes
Yeah, it makes it all different for me

Now you're lost in this moment
Now outside of time
Now, now you remember it all
Haa, now that reminds me

Well, what can you do now?
Where everything's done now?
Ehh, we really need something out there
Ahh, this is just Maya to me
