

## Pangaea

### The Church

I got my hand on my heart  
I got my heart on my mind (we've drifted apart)  
I gotta jump on the clock  
I gotta find me some time

Pangaea ahhh alright  
Pangaea ahhh (gotta try so hard) together (gotta try so hard)

You got your hands 'round my throat  
You got your voice in my head (no matter what)  
You better jump on the clock  
You better watch where you tread

Pangaea ahhh alright  
Pangaea ahhh (gotta try so hard) together (gotta try so hard)

(gotta try so hard)  
(gotta try so hard)

They got their rationales  
They had their winning streaks (it's never enough)  
They better jump on the clock  
They better count up their weeks

Pangaea ahhh alright  
Pangaea ahhh (gotta try so hard) together (gotta try so hard)  
Pangaea ahhh (gotta find some time) ahhh (gotta find some time)
