

## 1-2 Crush on You

The Clash

Standing in a queue of a school canteen  
guys on the corner they were laughin' at me  
but I don't mind if they see it all  
you know I gotta come clean  
I gotta come clean  
I got a crush on you

My mind don't need it but my body do  
a little bit of loving and attention for you  
although we're only strangers  
they don't need to know  
I gotta cum clean, I gotta cum clean  
ooh, I got a crush on you

I wanna get serious right away  
1-2, I got a crush on you  
what you doin' today or any other day?  
1-2, I got a crush on you  
just one look and I go insane  
1-2, I got a crush on you

Your daddy never comes to get you  
'cos lives so far away  
but his i-talian chauffeur shows up every day  
but I'll get you in the corner, I'll get you all  
alone  
I gotta cum clean, I gotta come clean

I got a crush on you

1-2, I got a crush on you  
1-2, I got a crush on you  
1-2, I got a crush on you  
I said 1-2  
I got a crush on you

why should I get a crush on yet?
