

Loop De Loop Mambo

The Coasters

Loop de loop mambo

When I see you dancing to the mambo
I feel like romancing to the mambo
Every time we jump and shout
Ooh wee my eyes pop out
How I love to watch you do the mambo
You shake like a rattlesnake
And you make my head go
Loop de loop loop de loop

Baby won't you teach me how to mambo
You look keen and peachy doing the mambo
Every time you shake your hips
And do those crazy dips
You sure get me flipping for the mambo
You shake like a rattlesnake
And you make my head go
Loop de loop loop de loop

Dine in Puerto Rico and...
This here is a dance that you people do
All you got to do is get your feet
Well it's just misses boogie with a lightning beat

Oh you look fantastic when you mambo
You're just like elastic when you mambo
Baby you could win a prize
Oh don't you realize
All the fellows idolize your mambo
You shake like a rattlesnake
And you make my head go
Loop de loop loop de loop

Loop de loop mambo
