

# Last Christmas

The Collective

Last Christmas I gave you my heart  
But the very next day you gave it away  
This year to save me from tears  
I'll give it to someone special

Once bitten and twice shy  
I keep my distance but you still catch my eye  
Tell me baby do you recognize me  
Well, it's been a year, it doesn't surprise me

Merry Christmas, I wrapped it up and sent it  
With a note saying "I love you", I meant it  
Now I know what a fool I've been  
But if you kiss me now, I know you'd fool me again

Last Christmas I gave you my heart  
But the very next day you gave it away  
This year to save me from tears  
I'll give it to someone special

Surrounded by love and never felt so alone  
The memories of us hold me all year long  
I know I put you through it, something I never meant  
But you cannot regret all the time that we spent  
Christmas is here, the season of giving  
But I'm only living half of life with you missin'  
I thought you'd be here when the lights went down  
But when the dark came round  
You couldn't be found

A crowded room, friends with tired eyes  
I'm hiding from you and your soul of ice  
My God I thought you were someone to rely on  
Me, I guess I was a shoulder to cry on

A face on a lover with a fire in his heart  
A man undercover but you tore him apart  
Whoa no...  
Now I've found a real love  
You'll never fool me again

Last Christmas I gave you my heart  
But the very next day you gave it away  
This year to save me from tears  
I'll give it to someone special

A face on a lover with a fire in his heart  
A man undercover but you tore him apart  
Oh, next year...  
I'll give it to someone, I'll give it to someone special

Last Christmas I gave you my heart  
But the very next day you gave it away  
This year to save me from tears  
I'll give it to someone special
