Problem

The Collective

Yeah, live, Sony Studios
Willy Will, TC

Hey baby, even though I hate ya
I wanna love ya
I want you-hoo-hoo
And even though I can't forgive ya
I really wanna
I want you-hoo-hoo

Tell me, tell me, baby
Why can't you leave me
Even though I shouldn't want it
I gotta have it
I want you-hoo-hoo

Head in the clouds, got no weight on my shoulders
I should be wiser and realise that I've got

One less problem without ya
I got one less problem without ya
I got one less problem without ya
One less, one less problem
One less problem without ya
One less problem without ya
One less problem without ya
One less, one less problem

Okay, yeah, yeah

I know you're never gonna wake up
I gotta give up
But it's you-hoo-hoo
I know I shouldn't ever come back
I let you come back
But it's you-hoo-hoo

Every time you touch me
And say you love me
I get a little bit breathless
I shouldn't want this
But it's you-hoo-hoo

Head in the clouds, got no weight on my shoulders
I should be wiser and realise that I've got

One less problem without ya
I got one less problem without ya
I got one less problem without ya
I got one less, one less problem
One less problem without ya
One less problem without ya
One less problem without ya
One less, one less problem

Yeah, I been gone for a minute
Different city every date, how I'm livin'

So I don't give time to these women
Got my eye on the prize
Ain't got time for you fellas
But I just touched down in my hometown
Hit you on the phone now
Girl, you know how
It's gonna go down, mamma
Come round, bring you off, then I sold out

Ooh...
One less problem without ya
Now, now, now, now...
One less, one less problem

Head in the clouds, got no weight on my shoulders
I should be wiser and realise that I've got

Oh!
One less problem without ya (yeah, yeah)
I got one less problem without ya (one less problem without you baby)
I got one less problem without ya (yeah)
One less, one less problem
One less problem without ya
One less problem without ya
One less problem without ya
One less, one less problem
