The Concretes

I don't know about falling in love 'Cause it comes to an end, I've been told But when it comes to falling in love It runs me over Now I'm out here with my heart in my hand To hand it over Now I'm out here with my heart In my hand Have you seen my chosen one recently If you do, tell him I'm in for love Well, I don't know about falling in love 'Cause it comes to an end, I've been told But when it comes to falling in love It runs me over Now I'm out here with my heart in my hand To hand it over Now I'm out here with my heart In my hand Have you seen my chosen one recently If you do, tell him I'm in for love Have you seen my chosen one recently If you do, tell him I'm in for love Have you seen my chosen one recently If you do, tell him I'm in for love Have you seen my chosen one recently If you do, tell him I'm in for love For love For love
