

1000 Years

The Coral

Ooh, ooh,
Waiting for a thousand years,
Ooh, ooh,
Sailing on a thousand tears.

Ooh, ooh,
Waiting for a thousand years,
Ooh, ooh,
Sailing on a thousand tears.

Seasons in your mind
Colours they change
With the passing of time
You'll find your way...
You'll find your way...

Ooh, ooh,
Waiting for a thousand years,
Ooh, ooh,
Sailing on a thousand tears.

Signs set in stone
Follow the river
Wherever she flows
You'll find your way...
You'll find your way...

Ooh, ooh,
Waiting for a thousand years,
Ooh, ooh,
Sailing on a thousand tears.

A new day has begun
Now that you're standing
In the warmth of the sun
You'll find your way...
You'll find your way...
You'll find your way...
You'll find your way...

Ooh, ooh,
Waiting for a thousand years.
