

## Faith In Fate

The Coronas

Put the past away, save it for a sunny day  
Right now there's nothing I can do, except stare right back at  
you

Put the future aside, I'll try my best to make it right  
Right now it just seems so obscene to picture you without me

And I hate how much we've cried  
Our break was our greatest mistake  
But if we try, I'll do everything I can to keep my faith in fate

Forget everyone else; I've tried to convince myself  
That it was only time we lost but I'm not as strong as I thought  
Forget who we've been with, the thought just makes me sick  
Forget our year apart, this is where we are

But I hate how much we've cried  
Our break was our greatest mistake  
But if we try, I'll do everything I can to keep my faith in fate

But we've cried  
Our break was our only mistake  
I know we'll try and I'll do everything I can to keep my faith  
in fate  
Oh, Everything I can to keep my faith in fate
