

# Need Your Presence

The Coronas

Take a break in between the lines  
I gotta give up the ghost  
That's not to say that it didn't arise  
In fact it happened lots

But if it gets better  
Then at least we'll know  
And you can give me credit  
For keeping us afloat  
I think we shouldn't ever  
Ever hesitate  
Yeah we're too clever  
To throw this thing away

And I'll try to give you shelter  
And let you know  
That I need your presence  
No I don't want you to go

I don't want to let you go  
No I won't let it go

Looked around, I couldn't read the room  
And the crowd didn't move  
And when they spoke, it was an inside joke  
Well that's just my excuse

But if it gets better  
Then at least we'll know  
And you can give me credit  
For keeping us afloat  
I think we shouldn't ever  
Ever hesitate  
Yeah we're too clever  
To throw this thing away

And I'll try to give you shelter  
And let you know  
That I need your presence  
No I don't want you to go  
I just need your presence  
And I don't need you to go  
I just need your presence  
No I don't want you to go

No I don't want to let you go  
No I won't let it go  
No I don't want to let you go  
No I won't let it go
