

## Reason

## The Cranberries

Nothing to say, nothing to do, nowhere to go,  
And I can't get over it and be with you.  
I don't know what to say,  
I don't know what to do  
I don't know what you want...  
Is there anything that I can do?

'Cause if you weren't somewhere else instead  
If you were in someone else's bed  
If you were...

The look on your face  
You'd told us to come here  
A reason to be  
Escaping from reality

I'll fight you in fear, indefinitely  
A reason to be  
Escaping from reality

'Cause if you weren't someone else instead  
If you were in someone else's head  
If you were...

Nothing to say, nothing to do, nowhere to go,  
And I can't get over it and be with you.  
I don't know what to say,  
I don't know what to do,  
I don't know what you want...  
Is there anything that I should do?

'Cause if you in someone else's bed  
If you were in someone else's head  
If you were...
