The Cure

A **E**
Show me how you do that trick
Hmi **D**
The one that makes me scream" she said
A **E**
The one that makes me laugh" she said
Hmi **D**
And threw her arms around my neck
A **E**
Show me how you do it
Hmi **D**
And I promise you I promise that

A **E**
I'll run away with you
Hmi **D**
I'll run away with you

Spinning on that dizzy edge
I kissed her face and kissed her head
And dreamed of all the different ways I had
To make her glow

"Why are you so far away?" she said
"Why won't you ever know that I'm in love with you
That I'm in love with you"

Dancing in the deepest oceans

Twisting in the water
You're just like a dream

Daylight licked me into shape
I must have been asleep for days
And moving lips to breathe her name
I opened up my eyes
And found myself alone alone
Alone above a raging sea
That stole the only girl I loved
And drowned her deep inside of me

You
Soft and only
You
Lost and lonely
You
Just like heaven
