Just One Kiss

I remember the time that you rained all night The queen of Siam in my arms Remember the time that the islands sank But nobody opened their eyes

Remember that time that the trees fell down The wood crashing through the wall Remember the sound that could wake the dead But nobody woke up at all

Somebody died for this Somebody died for just one kiss

Remember the time that the sky went black We waited alone on the sands Remember the taste of the raging sea But nobody held out their hands

Somebody died for this Somebody died For just one kiss

Just one kiss Just one kiss

The Cure
