

# I Think I'm Wonderful

The Damned

Maybe it's cos of the  
Way that I dress they say I  
Look out of place and my  
Taste is a mess and there ain't  
No point in trying  
'Cos I know what they're trying to do to me  
Keep your opinions on the way that I am  
I ain't good looking and I don't give a damn, damn, damn  
They've got no sense of humour  
They only spread the rumour  
They say I'm just misguided  
I don't agree

I think I'm wonderful  
I think I'm wonderful

Sometimes I have a couple  
Over the edge when I go  
Over the top get in a  
Hell of a state and there ain't  
No point in trying  
'Cos I know what they're trying to do to me  
Stick your opinions on the way I behave  
You say I'm crazy but you can't look away  
It's just the noise they're making  
Look at the time they're taking  
They think I'm nothing special  
I don't agree

I think I'm wonderful  
I think I'm wonderful  
I think I'm wonderful  
I think I'm wonderful

Though I'm mistreated  
I won't be beaten  
I can't be beaten now  
And I'm mistrusted  
I won't be busted  
I can't be busted now

I think I'm wonderful  
I think I'm wonderful  
I think I'm wonderful  
I think I'm wonderful
