

# Remember, It's Me

The Dave Clark Five

I'll buy you anything  
Ask and it's yours  
I'll give you anything  
My life for yours

If you just remember it's me  
Who loves you, oh oh  
Remember it's me who needs you  
Remember it's me

Stars need the sky above  
Sea needs the shore  
You know I need your love  
And I'll give you more

If you just remember it's me  
Who loves you, oh oh  
Remember it's me who needs you  
Remember it's me

If you just remember it's me  
Who loves you, oh oh  
Remember it's me who needs you  
Remember it's me
