

The Singer Addresses His Audience

The Decemberists

We know, we know, we belong to ya
We know you built your life around us
Would we change, we had to change some

We know, we know, we belong to ya
We know you grew your arms around us
And the hopes we wouldn't change
But we had to change some
You know, to belong to you

We're aware that you cut your hair
In a style that our drummer wore
In a video
But with fame came a mountain claimed
For the overlord
You know

So when your bridal processional
Is a televised confessional
To the benefits of Axe shampoo
And we did it for you
We did it all for you

Cause we know, we know, we belong to ya
We know you built your life around us
And would we change, we had to change some
You know, to belong to you
You know, to belong to you
You know, to belong to you
You know, to belong to you

To belong, to belong, to belong
To belong, to belong, to belong
To belong, to belong, to belong
To belong, to belong, to belong
To belong, to belong, to belong
(To belong, to belong)
(To belong to you)
(To belong to you)
