

# He Don't Really Love You

The Delfonics

He don't really love you, girl  
As much as I do, oh  
He's only gonna try his best  
To make a fool of you because

(He don't really love you)  
Like I do  
(He don't really love you)  
Like I do (like I do) baby  
Like I do, yeah

I can remember  
How you kiss so fine  
Now that you left me  
What will I do  
What will I do, girl

And I said  
(He don't really love you)  
And what am I gonna say now  
(He don't really love you)

(He don't really love you)  
And what am I gonna say now  
(He don't really love you)

I said  
(He don't really love you)  
And what am I gonna say now  
(He don't really love you)  
Can't you see me crying

(He don't really love you)  
Girl, I'm slowly dying  
(He don't really love you)
