

Sloth's Revenge

The Dirty Heads

I am everything that I said I am
Keep my shit tight man, motherfuckin' Hoover Dam
And I ain't cracking anytime soon, my mind said it's fine tuned,
This world will be mine soon,
Show down at high noon, sharp as a harpoon,
Crash like a monsoon, style like a costume,
I'm constantly awesome,
Voice fresh as spring, yo my beats bout to blossom,
Caution, get out the pit when I'm moshin'
My friends are all high, yeah, I'm nice and I got 'em that way,
We Bulls on Parade,
My bowls full of weed man, higher than a pterodactyl
You can call me caveman, California raisin,
Hear me through the grapevine,
Duddy B be dazed again but man I'm feelin' just fine,
I be out in Vegas while ya bitches just at state line,
I ain't never stoppin' til' I finally feel I got mine.

We never gonna lay down, we ain't going nowhere, you can come and give a try
Our bond is our blood and thicker than water, like Goonies never say die
Ooooooooooooooooooooooh 'cause Goonies never say
Ooooooooooooooooooooooh 'cause Goonies never say die

I keep it cool right, I'm like an avalanche,
I get stupid when I want to, Rain Man
I keep it flowing, now I do the rain dance,
Man everybody loves me call me Raymond,
Here I go, I be gettin' so high like I'm standing on my tippy toes,
Spread my wings and fly but I got two arms where my wings should go,
Hungry as an animal, tearin' down the devils door,
He's sellin' me his soul for all the lyrics in my arsenal,
Eyes red, Lungs full, half-masted flag pole,
I'm about to kill this beat and throw it in a Drowning Pool,
Hair long style, cool lyrics, fresh jet fuel,
On this track no lookin back, I'm hippy like a hacky sac
Smoother than a Cadillac, leave MCs needing medi-vac
Yeah I lost my shit but bitch you know I got my passion back,
Locked inside my temper trap, I'm laughin' at your pussycats
'Cause I ain't never stopping til the top is what I'm lookin' at

We never gonna lay down, we ain't going nowhere, you can come and give a try
Our bond is our blood and thicker than water, like Goonies never say die
Ooooooooooooooooooooooh 'cause Goonies never say
Ooooooooooooooooooooooh 'cause Goonies never say die

Okay listen up kiddos I'm a shark you're a minnow,
Balls on your chin, call your bitch Jay Leno,
Don't go swimmin' cause your shit sounds menstrual,
And we ain't here to play like Dr. Dre South Central,
Spit barbiturates to make you rub your tits and shit,
Have your body moving, shaking hips and throwing fits,
Willie sittin' high, just as high
The time is nigh now, floorin' my Delorean, Marty McFLy yeah
Anybody home, two spliffs to the dome,
It's a headshot, dread not, noobs get pwned!
Yeah I fucking said it, it was so last year,
I got a pack full of gear and a trunk full of beer.

We never gonna lay down, we ain't going nowhere, you can come and give a try
Our bond is our blood and thicker than water, like Goonies never say die
We never gonna lay down, we ain't going nowhere, you can come and give a try
Our bond is our blood and thicker than water, like Goonies never say die
Ooooooooooooooooooh 'cause Goonies never say
Ooooooooooooooooooh 'cause Goonies never say die
