Well, the clock says it's time to close now
I guess I'd better go now
I'd really like to stay here all night
The cars crawl past all stuffed with eyes
Street lights share their hollow glow
Your brain seems bruised with numb surprise
Still one place to go
Still one place to go

Warm my mind near your gentle stove

Turn me out and I'll wander baby

Stumblin' in the neon groves

Well, your fingers weave quick minarets

Speak in secret alphabets

I light another cigarette

Learn to forget, learn to forget

R: Let me sleep all night...

Well the clock says it's time to close now

I know I have to go now

I really want to stay here

All night, all night, all night
