

# Be My Girl

## The Dramatics

Baby  
You know sometimes you make me want to scream

Oh... ho... oh... oh... oh... ooh...  
Mmm... hmm... mmm...  
Oh... ho... mmm...  
Sugar, sugar, sugar, please would you  
Yeah, yeah

All was not lost today  
Your brown eyes converted me  
And let me know  
That you're the right girl for me

You don't need to (You don't)  
You don't need to (Need to)  
You don't need (Offer same love)  
You don't need (I offer you)

It would be a shame  
To let someone else  
Take my place, ooh  
(Take my place, now)

You've got me dreaming (Got me dreaming)  
I can tell  
Without you being there  
So stop this mistreating me (Stop this mistreating)

I want to stay with you (I want to stay)  
I want to lay with you (I want to lay)  
I want to be your man  
Be my girl

Be my girl, be my girl (Mmm)  
Be my girl  
Be my girl, be my girl  
Be my girl  
Be my girl, be my girl  
Be my girl (Woo... ooh... hoo... hoo... hoo...)

I need you  
In a desperate way  
All the girls I met  
Were so full of play  
It's not even a bother  
If I forgot their names, oh, yeah (Do you mind)

In the minute I first saw you  
Then every, every, every teenage fantasy came true  
But you look the other way  
Am I walkin' for day  
Broke my spirit, broke my spirit {Now}

You've got me dreaming (Got me dreaming)  
And I can tell  
Without you bein' there

So stop this mistreating me (Stop this mistreating)

Oh, I want to stay with you (I want to stay)

I want to lay with you (I want to lay)

I want to be your man (Ooh... hoo... hoo... hoo... hoo...)

Be my girl

My girl, be my girl {Be my girl}

Ho... ho... ho... ho... {Baby}

Be my girl (My girl) {Baby}, be my girl (Won't you be my girl)

Be my girl {Hey...}

(Ooh... ooh... ooh... ooh... ooh...)

Won't you be my girl (My girl), be my girl (Hey, hey)

Be my girl

Won't you be my girl (My girl and say to me)

{Won't you be my girl} Be my girl (My girl), be my girl (My girl)

Be my girl {I want you to be my girl}

(My girl, won't you please)

I want you to be my girl (Be my girl)
