

Hey You! Get Off My Mountain

The Dramatics

Hey you! (You) Get off my mountain
Hey you! Get off my cloud
Hey you! (You) Get off my mountain
You're just tryin' to bring me down
And you laugh in my face
Make me feel like a clown
Baby, I think I better put you in your place

That kind of action I don't need
(I don't need that kind of action)
That kind of heartache I can't use
(I can't use that kind of heartache)
That kind of lovin' I can do without
So go and play your games with someone new

Hey you! (You) Get off my mountain
Hey you! Get off my cloud
Hey you! (You) Get off my mountain
You're just tryin', (you're just tryin' to)
You're just tryin' to bring me down

Hey you! (Hey you) Get off my mountain
Hey you! Get off my cloud
(Stay off of my cloud)
Hey you! (Hey you) Get off my mountain
You're just tryin', (you're just tryin' to)
Oh, You're jus' tryin' to Bring me down
