The Easybeats

Crawlin' in the gutter  
Pretty words I try to utter  
So, so low I'm lyin'  
Crawlin', snivelin' and cryin'

Excruciating pain  
Drivin' me insane  
Evil little dame that Mandy (Mandy, Mandy)

Mandy  
Mandy  
Pretty little face with a pretty little smile  
Pretty, little, (Ooh) people see an innocent child (Yeah)

Oh, but they don't know  
(Ooh) Move on woman  
(Ooh) Move on woman  
(Ooh) Move on woman

Biggest fools she shows it  
She's desirable and knows it  
Wears the golden crown  
And still she kills you when you're down

Visions hold my dreams  
Creepy crawly things  
She's just vile it seems, that Mandy (Mandy, Mandy)

Mandy  
Mandy  
Pretty little (Ooh) face with a pretty little smile (Yeah)  
Pretty, little, (Ooh) people see an innocent child (Yeah)

Oh, but they don't know  
(Ooh) Move on woman  
(Ooh) Move on woman  
(Ooh) Move on woman

Move
