

Cut Me Free

The Exies

Don't take it out on me
Don't take it out on me
Don't take it out on me
The point you're missing
Don't try to talk to me
Don't try to talk to me
Don't try to talk to me
I don't want to listen

Don't take it out on me
Don't take it out on me
Don't take it out on me
The point you're missing
Don't try to talk to me
Don't try to talk to me
Don't try to talk to me
I don't want to listen

Cause talk is cheap so let me be
Just cut the rope and set me free
Cause something's wrong, something's wrong

In my opinion
You're so obscene
In my opinion
Nothing but green
In my opinion
What's the difference?
You couldn't change it
It's your tradition, yeah

Don't take it out on me
Don't take it out on me
Don't take it out on me
You're wasting my time
You won't remember me
You won't remember me
You won't remember how you're raping my life

Don't take it out on me
Don't take it out on me

Don't take it out on me

Don't try to talk to me
Don't try to talk to me
Don't try to talk to me

Just cut the rope and set me free

In my opinion
You're so obscene
In my opinion
Nothing but green
In my opinion
What's the difference?
You couldn't change it
It's your tradition

In my opinion
The water will rust
In my opinion
You've broken my trust
In my opinion
Whats the difference?
You couldn't change it
It's your religion, yeah
