Dear Enemy

Youre pretending to be somthing youre not Youre collecting a head full of rot Youre self righteous, the butt of the joke And its a secret, everyone knows

You know you know you know you know it You show you show you show youve shown it My dear enemy, backstabbing me Like a friend to me, like you seem to be

You think i dont see You backstabbing me Like a friend to me My dear enemy Youre condescending with every word It makes you happy but what is it worth? Youre like a virus eating my skin Its a problem i think its a sin The Exies
