

Act One, Scene One

The Fall of Troy

Open wide! space and time dis-
Tort the mind.
Constantly, we dance in sheets,
It feels so right to be so wrong
Normal love set aside, leave your
Heart at the bedside...
Contaminate the air like you do,
Swear I'm telling you the truth.

Jaded Masquerade. No Names.
Contradicting fates.
It's all the same.

I'm telling you the truth, telling
You the truth I swear...

I just want your attention baby,
Every sweat-soaked night, every
Taunting fight!!!

Lock the doors, turn off the lights,
Remove all your clothes!!!
