

Straight-Jacket Keelhauled

The Fall of Troy

You're in the past, can you get over that?
(RECOVER... RECOVER!)
I think I might pick a fight tonight,
I'm not willing to compromise
(YOU'RE NOTHING... YOU'RE NOTHING!)
...And I could twist everything,
the lies will coagulate
(WE SUFFER, WE SUFFER!)
Then when you exaggerate;
You're always pinning the blame
(ON SOMEONE, ON SOMEONE!)

Can you get over that?

Fucking ridiculous, cursing a time that I felt.
Hangout and have a few...
DOES THIS EXCITE YOU? ANSWER ME!!!

MAN OVERBOARD! MAN OVERBOARD!
