

# I'm Not Satisfied

The Fall

Got no place to go  
I'm tired of walking  
Up and down the street all by myself  
No love left for me to give  
I try and try  
But no one wants me the way I am  
Why should I pretend I like  
To roam from door to door  
Maybe I'll just kill myself  
I just don't care no more  
Because  
I'm not satisfied  
Everything I've tried  
I don't like the way  
Life has been abusing me

Who would care if I was gone?  
I never met no one who'd  
Care if I was dead and gone  
Who needs me to care for them?  
Nobody needs me  
Why should I just hang around?  
Why should I just sit and watch  
While the others smile?  
I just wish that someone cared  
If I was happy for a while  
Because  
I'm not satisfied  
Everything I've tried  
I don't like the way  
Life has been abusing me
