

Face in the Cloud

The Family

Taking a journey
Expecting to try
Not certain of things
Bound to happen
Just reach out and hold
The hand of a stranger
Leading the way to eternity
Wandering aimlessly
Exploring new fields
Enjoying such beauty
Never experienced
Mountains before
Reaching to heaven
Hiding the face of a
Girl in the clouds
Tasting the fruit
Reaping the profits
Coming down slowly
From the height of my dreams
Collecting my thoughts
Remembering sadly
The face of a girl
In the clouds
