## The Features

I am the king of indecision  
Just sitting on my throne  
And if you ask me my opinion  
I will tell you I don't know

Nothing is complete  
Nothing is concrete  
Nothing is for certain  
As far as I can see

Bring the knights to entertain me  
Send the jester off to fight  
Have the lamb cook me some supper  
Ah the chef sounds good tonight

Nothing is concrete  
Nothing is for certain
