

Christmas Tears

The Four Seasons

Christmas tears
Will decorate my tree
There'll be no shiny tinsel
No sparkling lights to see

Icicles
Within my heart will form
'Cause your arms aren't around me
To make my Christmas warm

Oh, how I'll cry when they play
Silent Night
When I wake up in the morning
My Christmas won't be white

Jingle Bells (Jingle Bells)
Have rung for many years
But this season without you
I'll cry my Christmas tears

When I wake up in the morning
My Christmas won't be white

Jingle Bells
Have rung for many years
But this season without you
I'll cry my Christmas tears
