

Circles In The Sand

The Four Seasons

Circles in the sand
Whirlin' and swirlin'
That's what I am
Echoes in a cave
That's what I'll leave behind

I'm just a common man
Drinkin' and thinkin'
Never plan
Circles in the sand
Traces within my mind

For the masters
There are ashes and flames
Glorious games
And pleasures that lead to pain

Seasons alter
But my life is the same
Oh, naked I came
And naked I shall remain

Circles in the sand
Whirlin' and swirlin'
That's what I am
Echoes in a cave
That's what I'll leave behind

I'm just a common man
Drinkin' and thinkin'
Never plan
Circles in the sand
Traces within my mind

For the masters
There are ashes and flames
Glorious games
And pleasures that lead to pain

Season alter
But my life is the same
Naked I came and naked I shall remain

Circles in the sand
Whirlin' and swirlin'
That's what I am
Echoes in a cave
That's what I'll leave behind

I'm just a common man
Drinkin' and thinkin'
Never plan
Circles in the sand
Traces within my mind

Circles in the sand
Whirlin' and swirlin'

That's what I am
Echoes in a cave
That's what I'll leave behind

I'm just a common man
Drinkin' and thinkin'
Never plan
Circles in the sand
Traces within my mind

Circles in the sand
Traces within my mind
Circles in the sand
Traces within my mind
Circles in the sand
Traces within my mind
