## The Four Seasons

(Funny face)  
Woah-oh-oh-oh  
(Funny face)  
Woah-oh-oh-oh

I don't know her name (know her name)  
Love her just the same (just the same)  
Gee, my life will be complete  
When I meet funny face (funny face)

Wonder whether she (whether she)  
Ever noticed me (noticed me)  
When I pass her on the street  
Oh, my sweet funny face

I'll tell you what she looks like  
Love in a clown's disguise  
One secret told between us  
She's a Venus in my eyes

(Funny face)

I don't know her name (know her name)  
Love her just the same (just the same)  
Promise 'til the day I die  
I'll never change her, rearrange her  
Sweet as honey, pretty funny face

I'll never change her, rearrange her  
Sweet as honey, pretty funny face

Woah-oh-oh-oh  
(Funny face)  
I love you  
(Funny face)  
Woah-oh-oh-oh  
(Funny face)  
My funny  
(Funny face)  
Woah-oh...
