

Sun Country

The Four Seasons

There is a line although I haven't seen it yet
I've got a lot to show for what I didn't get
It won't be long before the sun will warm my face
It won't be long before someone will take your place

So, baby, time (time, maybe, time will tell)
Baby, wish (wish, baby, wish me well)
Baby, don't (don't bring me down, again)
Baby, just (just let me leave a friend)

The voices down the hall will slowly fade away (Slowly fade away)
The faces on the wall have nothing left to say (Nothing left to say)
I can't begin to build a shelter in the storm
I've got to find the place where clouds will never form
(Sun Country)
(Sun Country)

(Sun Country) No clouds will darken my day
(Sun Country) Nothing will get in my way
(Sun Country) I'm gonna make it okay
(Sun Country)

Oh, baby, turn (turn, baby, turn for me)
Baby, hide (hide, lady, hide the rain)
Baby, keep (keep what you used to be)
Baby, send (send, send the rest to me)

There is a line although I haven't seen it yet (Haven't seen it yet)
I've got a lot to show for what I didn't get (What I didn't get)
It won't be long before the sun will warm my face
It won't be long before someone will take your place
(Sun Country)
(Sun Country)

(Sun Country) No clouds will darken my day
(Sun Country) Nothing will get in my way
(Sun Country) Hey, I'm gonna make it okay
(Sun Country)

(Sun Country) No, no clouds will darken my day
(Sun Country) No, no, nothing will get in my way
(Sun Country) Hey, I'm gonna make it okay
(Sun Country) No clouds will get in my way
(Sun Country) I'm gonna make it, make it okay
